Job Description- SAP Security Consultant III

Job Location: 12777 Jones Rd., Ste. 445, Houston, TX 77070

Job Duties:

Advent Global Solutions, Inc. in Houston, Texas is seeking SAP Security Consultants III to assist project manager to plan, develop, and implement integration information security strategies related to enterprise applications. Individuals will apply advanced theoretical and practical knowledge of subject matter principles and concepts, as well as experience to perform the duties of the position. Job responsibilities and duties include:

- Coordinate and oversee the design and development of solutions meeting customer requirements.
- Review and analyze security requests and project tasks.
- Oversee the development of security objects and coordinate unit testing.
- Lead testing phases and SDLC process and project landscape.
- Review and analyze reports as prepared by SAP Security Consultants.
- Ensure audit controls and procedures are followed.
- Conduct risk analysis using GRC ARA Module and review reports.
- Work with business & support team to solve access issues.
- Work with various groups to define scope and gather business requirements, providing conceptual and detailed designs to meet business needs.
- Perform lead SAP role design, user administration including testing and documentation.
- Provisioning and de-provisioning of users.
- Coordinate and oversee the identification, analysis, and resolving of problems, driving solutions through to completion.
- This position does not supervise any other personnel.
